

## Jesus Is Coming After 70 Weeks

*The exact year is revealed in Daniel 9 to encourage your faith in His Word.*

The world's calendar was set by the first coming of Jesus, BC - before Christ, and, AD - after Christ. It will be reset when He comes the 2nd time. Daniel learned from reading Jeremiah that God was soon to return Jews to Israel. So Daniel prays a model prayer (A.C.T.S) vv 4-19. Then Gabriel, the IFO (Identified Flying Object) comes flying in to help Dan understand 4 things:

### 9:24 God Predicts When Jesus Will Come the 2nd Time

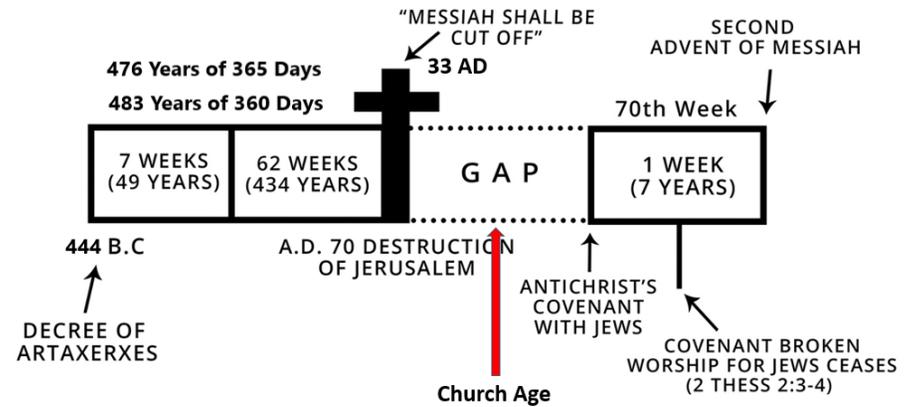

### 9: 25 God Predicts When Jesus will Come the 1st Time (Deut 18:15-18)

### 9:26 God Predicts The Day/Year When Jesus Will Die on the Cross

### 9:27 God Predicts When The Antichrist Will Appear at the End

Will you use your remaining time wisely? Invest in His Kingdom

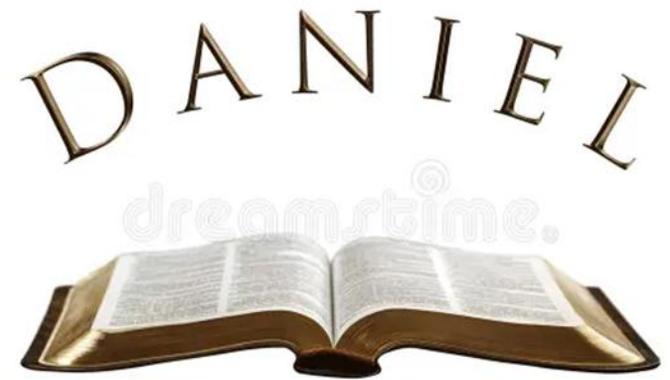

## 70th WEEK OF DANIEL

This prophecy is to Israel about when Jesus will come at the end of time.  
 Political/Cultural Israel - Those in the geographic Israel today  
 Biological Israel - Ethnic descendants of Abraham (Gen 12, Rom 9:3)  
 Spiritual Israel - Those of Abraham's faith (Rom 9:6b-7): believers in Christ

Today Israel is gathered in the Promised Land. This God predicted and it happened in 1948. But they are not gathered in faith. They still reject the Anointed One, Jesus. It is political/cultural Israel (not spiritual Israel) that is now occupying the Beulahland. The regathering part has been accomplished but God is not finished, and Israel is not yet saved. The promises to Abraham and his descendants in Gen 12 & 15 are not cancelled. Simply, they are not yet completed. God is still working. The Jews as a nation will turn to Christ in the future and become spiritual Israel. Until that time don't do them harm because God is protecting them even in their unbelief. "I will bless those that bless them and curse those that curse them." So don't fool with Israel in any way that will harm them. God is sovereign and absolutely in control of what is happening.
