God is Love, Pure and Simple!

Have you heard the story about a little girl named Mikki who was walking down the sidewalk with her mother one day? They were walking together, (mom and daughter) holding hands.

As they walk along, little Mikki asks, “Mommy, what is God?” Her mother answers, “Well, Mikki, God is the creative force, the first cause, the unmoved mover, the unseen primal producer of existence, the binding, sentient energy which underpins all physical manifestation, the...”

At this point, the little girl interrupts. “Mommy, Mommy, wait! Use words that are my size. Tell me, Mommy, what is God?”

Mom takes a deep breath and tries again, “Really, Mikki, it’s hard to explain. God’s like all the good stuff, the essence of all the beauty around us. God is... well... God is...”

Mikki realizes that her mom is struggling. She helps out by saying: “Mommy, I think God is love.” Her mom smiles, hugs her and says, “That just proves one thing, Mikki. You are smarter than most of the adults I know.”

Mikki in her child-like way had simply, but profoundly, put her finger on the good news of our faith. God is love. God is our Friend. God cares about each one of us. God is on our side. God will never desert us. We may run away from Him or turn away from Him, but God will always be there for us... because... (as Mikki put it so well)... God is love!

Cast your cares on the Lord
and He will sustain you.
Psalm 55:22

Food Pantry & Blessing Box Update

Thank you for your continued support of the Beulah Blessing Box and for the food donations that help families through the Rome Food Pantry.

The Rome Food Pantry is requesting different food items be collected by the area churches. Beulah is asked to collect the following for the month of **MARCH — VEGETABLE OIL & BOXED CAKE MIX**. When you are out, please consider adding these to your grocery order. Food Pantry items can be placed on the table in the hallway.

The Beulah Blessing Box is being filled and used on a daily basis. Martha Ferguson restocks the box 2-3 days a week. She checks for expired food items and keeps track of what foods are needed. Any canned items for kids are always in need, such as SpaghettiO's, canned soups and peanut butter. All canned / boxed items are appreciated.

Welcome to Beulah!

If you are visiting, thank you for coming! Please sign the guest book at the Welcome Center and we have a Beulah welcome gift for you!

Do you know **JOHN & BILLIE BROOKS**? You may recognize John as one of the guys who greets you on Sunday morning at the front door. Billie is our church financial secretary and both are now retired. They recently returned from spending a month in Florida during all the ice and cold that was back here. Billie and John are very loved at Beulah!

Do you know **NEAL & SHERRI FERRELL**? They stay very busy, as they are helping to raise their precious granddaughter **CHARLOTTE**. Sherri helps teach the little kids in Praise Factory. Charlotte is very proud of her grandparents, who are creative and a bundle of fun! The Ferrells are very loved at Beulah!
